

MARKSMEN SHOOT IN THREE EVENTS

District Riflemen Entered in
Big Matches Begun at
Camp Perry Today.

CAMP PERRY, Ohio, Aug. 17.—Three of the principal matches of the National Rifle Association's tournament are on the card today—the Championship Regimental Skirmish, the Championship Regimental, and the Wimbledon Cup.

Firing at the "enemy" crouching on the embankment down along muddy Lake Erie began at 7:30 o'clock in the skirmish match—one of the spectacular events of the tourney, to see the sham-battle features of which several hundred visitors from nearby towns and villages were on hand.

This match is for teams of six from all arms of the United States' service and from the organized militia of the States, Territories, and the District of Columbia, one twenty-shot run with the service rifle or any military rifle viewed and stamped by the National Rifle Association.

The solid silver \$250 du Pont Trophy was won by the Second Washington team a year ago, with the Sixth Massachusetts three points behind. The Marine Corps took it in 1934 and 1935 and the Second District of Columbia the preceding three years. The First and Second District of Columbia are competing today.

The great battle for the regimental championship opened at 9 o'clock with a short-range entry list. The first shot is ten shots at 200, 300 and 1,000 yards with the new service rifle, Model 1903, but with any ammunition.

Winner Gets \$500 Trophy.

The winner gets the \$500 championship trophy, which becomes the property of the organization capturing it three times, not necessarily in succession, \$75, and gold medals. The Sixth Massachusetts, which defeated all comers in 1935 and again last year, has sent six finest shots after the honors once more. The Second Ohio, which came close after Massachusetts both years, is making a final effort to blow up the New Englanders. The First New Jersey carried off the trophy in 1932, 1934, and 1935, the Fourth New Jersey in 1932, and the First and Second District of Columbia in 1931 and 1932, respectively.

The Wimbledon Cup match, which among the individual matches is second in importance only to the President's, riveted the camp's undivided attention this afternoon, when the other ranges were closed and the crowd gathered behind the 1,000-yard firing line to watch the race for the \$500 cup presented by the Rifle Association of Great Britain to the National Rifle Association of America for annual competition.

Famous Shots There.

On the line, when the bugler sounded the call to arms, were the most famous long-distance shots of the United States Cavalry, Infantry, Navy, Marine Corps, of the National Guard of nearly every State in the Union, and many civilian marksmen. All the victors of recent years were there—Captain Casey, of Delaware, who last year scored 88 and defeated 229 competitors; Captain Seaman, of Ohio, the winner in 1932; Lieutenant Colonel Tewes, of New Jersey, who defeated all comers in 1935; with 84; Captain Richard, of Ohio, and Major W. B. Martin, of New Jersey, winner in 1931.

To give the District team opportunity to practice snapping their guns at the target, Lieutenant Farrow, the coach, had two targets placed—one in "D. C. street" and the other on the edge of the woods opposite the District's camp.

TWO WASHINGTON PRIESTS GET TITLE OF MONSIGNOR

Friends Pleased With Honor
Bestowed Upon Fathers
Mackin and Lee.

Catholics of Washington, particularly of St. Paul's and St. Matthew's parishes, were a bit surprised and greatly elated to hear of the appointment of the Rev. Father James F. Mackin and the Rev. Father T. S. Lee, of St. Paul's and St. Matthew's parishes, as monsignors.

Father Lee is at present in Rome, having gone there with Cardinal Gibbons. He will get return to Washington until September 17. Father Mackin has not yet received official notification of his appointment by the Pope, and knows nothing further than the newspaper accounts.

He is reluctant at expressing his views, but is pleased with the honor bestowed upon him.

Father Lee has been at the head of St. Matthew's parish for fifteen years. In 1893, he came to Washington from the Cathedral, in Baltimore. Father Lee was born in Maryland, sixty years ago, and began his study for the priesthood when he was a young man.

He attended the courses at the Theological Seminary at Woodstock, Md., and soon after his ordination was sent to Baltimore.

St. Matthew's parish is one of the oldest in the District, having been organized in 1838. It is recognized as having many of the most prominent residents of the city as its members.

Father Mackin has been in Washington since 1885, when he was sent here to organize and build St. Paul's Church. He has fathered it and seen it grow, until today it is one of the largest and most exclusive parishes in the National Capital. As a result of his efforts, St. Paul's Church is known throughout the East. Until the recent canon of the Pope on the subject went into effect, St. Paul's had one of the finest mixed choirs in the country. The church edifice is one of the finest in the city.

Father Mackin was born in Baltimore

THE REV. T. S. LEE.

In 1838 and received his early education in that city. In his youth he went to sea, and followed a sailor's life for several years. In 1863 he entered St. Charles' Seminary to prepare for the priesthood. He entered St. Mary's in 1864, and four years later was ordained. Several years ago the honor of becoming a monsignor was tendered Father Mackin, but he declined it, saying that he preferred to remain plain Father Mackin.

HURLED HERSELF FROM RIDING HORSE

Angry Pittsburg Girl Attempts
Rash Novel Method of
Suicide.

PITTSBURG, Aug. 17.—Hurling herself from the back of her riding horse while going at full gallop, was the novel manner in which Elizabeth Russell, daughter of J. W. Russell, of Homestead, attempted to kill herself. She was badly injured, but prompt medical attention will probably save her life.

From a note found in her dress, and from her rambling talk after she had regained consciousness it was learned that she had attempted suicide. Miss Russell ordered her horse from the livery stable where it is kept and started out with the apparent intention of ending her life.

The only cause that can be assigned for her rash act was that she had quarreled with her mother.

FISH HOLDS TO CALF UNTIL BEAST DROWNS

Giant Pike Drags Bovine Away De-
spite Efforts of Farmer to
Rescue Animal.

WORTHINGTON, S. D., Aug. 15.—Henry Hanson, farmer, reports the loss of a calf, carried off by a giant pike. The farmer heard a noise among his cattle one night and rushed out toward the trouble, which he found was near the canal. He found several calves standing belly deep in water and noticed one little calf making a desperate effort to pull its tail free from something.

The farmer, with his bare legs, was afraid of barbed wire, but he waded cautiously toward the calf, and just as he caught it a monster pike lashed the water all over him, and for a moment he was blinded. Wiping the water from his eyes, he found the calf was being dragged toward deep water. Hanson made a desperate effort to reach the animal before it was dragged into the canal, but he failed and the calf struggled until it finally drowned.

INTEGRITY OF HOME, DR. BAILEY'S PLEA

Americans Fast Becoming a Nation
of Boarders, Declares Y. M.

C. A. Speaker.

Declaring that Americans are rapidly becoming a nation of boarders, the Rev. George Bailey, D. D., who delivered the address at the open-air services in Franklin Park by the Y. M. C. A. yes-

terday afternoon, made a strong plea for the integrity of the home. He said that only through the strong binding of home ties would we maintain our place among the nations.

It was in defense of our homes that we fought three of our wars, said Mr. Bailey, and an orator once said that every man would shoulder a musket in defense of his home, but who, he queried, would shoulder a musket in defense of his boarding house? After telling the men what they should do in their home life, and of their duty to wife, father, and mother, Mr. Bailey again reverted to home ties, as affecting the integrity of the nation.

CATS AND DOGS WORRY WORSHIPERS

MT. GRETNA, Pa., Aug. 17.—By a unanimous vote the new board of directors of the Mt. Gretna Camp Meeting Association has barred cats and dogs from the grounds. During the meeting just closed cats and dogs became such a nuisance as to compel action on the part of the directors. Bishop Mills, of Annyville, made the fight against the animals.

LEFT MEAT EXPOSED; WARRANT IS ASKED

Failure to properly screen, thereby exposing, meats to flies and other insects, was the charge preferred by the inspectors of the Health Department against the proprietor of a stand in the Eastern Market. A warrant is recommended.

In the Sunday inspection of groceries, Inspector J. R. Mothershead today reported those establishments between Q and W streets northwest as in good condition.
